

X 26 = Glendye Wind Farm.

(Ground to blade tip height up to 149.9m and installed capacity of over 50MW).

The planning application for Glendye wind farm has been submitted.

FWCC Residents - We need to hear your views to help us with our response to this application.

To view the planning application:

<http://www.energyconsents.scot/ApplicationDetails.aspx>

The application number is ECU00000676 Glendye Wind Farm.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the

Environmental Impact Report can be viewed at **Banchory Library**.

To view the **information pack** produced by FWCC:

https://www.feughdeewest.com/uploads/8/2/5/9/82590544/introductory_information_pack_final_revised.pdf

What to do next?

1) Complete the **FWCC survey by 02/11/18**

<https://www.surveymonkey.co.uk/r/FWwindfarms>

2) Make a written or emailed representation to Energy Consents Unit at representations@gov.scot; or by post to Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU.

It would help FWCC with its own response if you could copy FWCC into any correspondence -

fwcc1secretary@gmail.com

Deadline for representation to ECU is 11th November 2018.
