

# How to get involved

In January, we will launch a community survey, available both online and in paper format, for all residents of Feughside. This is your chance to share what you love and value about living here, as well as the difficulties you face. You will have the opportunity to propose ideas for future projects and highlight the priorities you believe should guide our community's development.

Our goal is to gather as many responses as possible from every corner of Feughside to ensure the Community Action and Place Plans are inclusive, representative, and truly reflective of everyone's needs. Don't let your voice go to waste!

We will be speaking to focus groups of key demographics including schoolchildren, parents, older residents, home workers, and those living in outlying areas such as Glendye, Auchattie, Tilquhillie, Blackhall, and Bridge of Feugh. We will also host discussions with important community stakeholders, such as local businesses, landowners and community groups.

A comment box will be available at Strachan Village Hall for anyone who would like to provide further insights or suggestions.

**We want to hear from you!**
